Subject: Regional Coordination Meeting to Review Improvements in Environmental Radiation Monitoring Programmes and Technical Capacities, Istanbul, Türkiye, from **1 to 5 September 2025**

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER7014, “Improving Environmental Monitoring and Assessment for Radiation Protection in the Region”.

The purpose of the event is to present and review the progress made and the overall achievements of the project in environmental monitoring as well as identify and discuss follow up actions.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **30 June 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

This activity is conducted by the IAEA, with funding by the European Union

We look forward to receiving your early response.

Yours sincerely,
